

Glencarlyn Citizens' Association

Minutes for Meeting on
Monday September 13, 2010, 7:30 PM

1. **Adoption of Agenda** 7:30

2. **Program** 7:35 - 8:30

Dick Miller – An Urban Forester with the Arlington Dept. of Parks, Recreation, and Cultural Resources spoke on tree care, pruning, removal and replacement.

Right of ways and parks are the county's responsibility for planting and maintenance.

Glencarlyn has no big problems with invasive trees. It's important to limit the stress on big trees because borers will destroy stressed trees. Local diseases: Emerald Ash borer and Dutch Elm.

The Chesapeake Bay Preservation Ordinance requires a plan to include 20% canopy for any expansions/building of 2500sq ft.

Cooperative Extension Service, Fairlington, 703-228-6414; walk-in service to identifying plants, identifying diseases & insects, and soil testing.
