

Glencarlyn Citizens' Association

Minutes for Meeting on November 1, 2010, 7:30 PM

1. **Adoption of Agenda** 7:30
2. **Program** 7:35 - 8:20

Hunter Moore, Assistant Deputy County Manager for Arlington County

(1) Arlington Mill- Based on the Form-Based Code, the county wants 6-story bldings along Columbia Pike. It was previously approved. But with the fall in the economy, the partner pulled out. Now the plan is for a county community center comprising offices for human services, parks & rec, and library resources (child, seniors, & career/job resources). In the future, there will be a mix of low income & regular rate housing.

(2) Columbia Pike- Ongoing study, already 1.5 yrs + another 1.5 yrs, regarding land use & housing.

(3) Hospital- There's a plan to revisit the situation w/ the child-care center, which is under utilized. The Urgent Care will remain for now.

(4) Snow blower- No decision yet.

(5) Kenmore- Regarding bright lights & landscaping, Mr. Moore will look into it and get back to Pete.
