Minutes of the January 6, 2014 meeting

Adoption of Agenda:

The agenda was adopted at 7:35PM

Program: Safety

Captain Brett Butler and Sergeant Hernandez of the Arlington police depart spoke about maintaining your personal and family safety. The January home invasion in the Manchester square area was an inside job. A contractor who had worked at the home was the culprit. Recently tires were slashed in North Arlington and 15 autos were opened and looted in South Arlington. Keep valuables out of sight when they are in your auto. Notify the police if you see suspicious door to door contractors. The police will investigate. When vacationing make your house look occupied. During a question and answer period a number of participants voiced strong negative response to the 'no turn on red' restrictions.
